

SureCall Listed Among America's Fastest-Growing Private Companies in *Inc.* Magazine's 2017 Inc. 5000 List

Three-Year Sales Growth of 95 Percent Earns SureCall its Second Consecutive Year on the Inc. 5000

Fremont, Calif. – Sept. 1, 2017 – *Inc.* Magazine has ranked SureCall, the premium cellular signal booster manufacturer, No. 3354 on its 36th annual Inc. 5000 list. This marks the company's second consecutive year accepting this prestigious award. SureCall is recognized alongside many other highly successful businesses, which early on, were also listed on the Inc. 5000, including Microsoft, Dell, Domino's Pizza, Pandora, LinkedIn, Yelp, and Zillow.

Companies are ranked based on their percentage of revenue growth over the last three years. Since being founded in 2001, SureCall has sustained an average annual growth of 95 percent to lock-in its position on the list.

"We take pride in our growth, and this prestigious award is a validation of our hard work and dedication to giving our customers top-quality signal boosters, service, and support," said Hongtao Zhan, SureCall's president and CEO. "Our mission has always been to advance cell phone signal booster technology and thereby provide our customers a better and more connected quality of life."

SureCall provides [top-quality cell phone signal boosters](#) that eliminate dropped calls and enhance connectivity for people and businesses. The company's cellular signal boosters are trusted by customers ranging from residential home, apartment, and vehicle owners to commercial enterprises such as Marriott, Chrysler, Hewlett-Packard, NASA, and Stanford, among others.

"The Inc. 5000 is the most persuasive evidence I know that the American Dream is still alive," says Inc. President and Editor-In-Chief Eric Schurenberg. "The founders and CEOs of the Inc. 5000 tell us they think determination, risk taking, and vision were the keys to their success, and I believe them."

The 2017 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of *Inc.* (available on newsstands August 16) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year average growth of 481%. The Inc. 5000's aggregate revenue is \$206 billion and the companies on the list collectively generated 619,500 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at <https://www.inc.com/inc5000>.
